Tournament Guideline, Policy & Rule Acknowledgement

Hotels

All participating travel teams are required to comply with the official stay-and-play policy. Teams may only book hotel accommodations after completing their entry fee payments. Reservations must be made exclusively through Rated Travel, the official tournament housing partner. Direct reservations with hotels or properties are not permitted under any circumstances.

Medical Release Forms

Team managers are required to have medical release forms for all players on their team. By participating in the tournament, teams release 90 Sports Events Inc., all participating sponsors, and all organizing parties from any responsibility or liability regarding injuries. Each team must have medical release forms for every player, which can be provided by their respective clubs, leagues, or organizations. These forms must be kept in the possession of a team official on site at all times. If a team does not have their own medical release forms, they can access and use the forms available on the tournament website.

Liability

The event organizers are not liable for any injuries sustained by players, spectators, friends, family members, or any other attendees. Additionally, the organizers are not responsible for any damage or theft of personal property, including vehicles, belonging to attendees.

Behavior

All players, coaches, and spectators are expected to conduct themselves according to the laws of the game. Any display of temper or dissent can lead to ejection from the game and the surrounding field area. Repeated violations may result in the suspension of the entire team from the tournament, as decided by the tournament directors. It is the responsibility of each club or team to control the conduct of their parents and other spectators.

Score Reporting

For scorekeeping, referees will collect game cards from team officials before the start of each game. After the game, referees will submit the completed game cards to the Site Coordinators Tent immediately. Team officials are responsible for providing game cards to the referees prior to the start of the game. This procedure is mandatory for all group games, playoff games, and consolation games.

Rules

All event attendees are required to read, review, and understand the official tournament rules available on the tournament website prior to the start of the event. Violations of tournament rules will result in consequences as outlined in the official rules document. If specific repercussions are not stated, violators will face consequences deemed appropriate by the tournament organizers.
